

Bronze Maintenance Package

HOUSE
of FLAGS

Flagpoles are vulnerable to wear and tear and if they are left unchecked they can become a hazard to the surrounding area.

Our Bronze maintenance package helps to ensure that your flagpoles comply with all health and safety standards.

Our professional maintenance team are highly experienced and always provide expert knowledge and a high quality service. We ensure that your flagpole is visually checked and recommend any other parts or fixings that need replacing.

We guarantee all of our maintenance services, providing you with peace of mind, and ensuring your flagpoles are maintained to a high standard.

What's Included:

Halyard Change

Visual Flagpole Check

Flag Hoist *(if applicable)*

Hardware Replacement

(all replacement parts are supplied at an extra cost)
