Step 1:

Choose your ideal shape and size of feather flag. Take into account your display area, making sure your feather flags fit in the space. Also think about your artwork, choosing a size and shape that will show off your promotional messages effectively.

Step 2:

Decide between our budget, standard and premium feather flag ranges. Consider your budget and display environment. External environments may warrant our more durable premium range of feather flags.

Step 3:

Pick a base option which suits the size, shape and range of feather flags. Our budget feather flags have a limited option of bases. Make sure you choose a base that meets the requirements of your display environment, whether it be internal or external.

Step 1: Shape & Size
