

Flagpole Installation Case Study

**HOUSE
of FLAGS**

Customer: *Radisson London Mayfair*

Products Installed:

*3 x 4m GRP Angled Flagpoles, incl brackets
3 x Union Jack Flags, incl Antifurl*

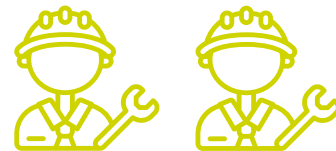

Number of Installers: *2 People over 2 days*

House of Flags replaced three old wooden flagpoles at the Radisson London Mayfair. We supplied and installed three new 4m GRP flagpoles, including replacing all flagpole brackets and fixings.

Our installation team used ladders to reach the display canopy, where they removed the old flagpoles, fixings and brackets. They then installed the new brackets and flagpoles, as well as the new Union Jack flags.

Overall the installation took two days using two installers.
