Fabric Tension Display Stands

Buying Guide

Since 1977, House of Flags has been a one stop shop for all our customers' marketing solution needs.

We have our own advanced digital printers, stock holding facilities and a dedicated installation team. This enables us to offer short lead times and higher quality products.

We know the importance of offering a wide range of materials and products as our customers have many different requirements. We have therefore invested heavily into expanding our material and product ranges.

Recently we have also released a new buying portal to streamline purchasing for customers.

# Why choose a Fabric Tension Display Stand?

Our versatile new range is perfect for all of your display needs.

They are an affordable option, which help bring your brand to life with high impact display graphics.

## Choosing the right solution for you...

Most of our customers buy our Counter when they are planning to attend an exhibition. This helps them to create a centre point to their display stand. Alongside the Counter they also choose to add one of our other display stands to complete their exhibition stand.

*Don't forget to consider the space available to you during the event when choosing one of the options below.*

- Cost effective with double sided options
- Easy to assemble
- Weigh less than 9KG and are easy to transport
- Carry cases included for all our display stand products
- Internal and external lighting options.
